**G**

There s a madness in my soul tonight

Can t let go

Must ride like the storm

Can t let go

Will I run out of control tonight

Can t let go

Until every trace is gone

It s a winding road from Cuesta way

Down sunset to the beach

Though Canoga Park is a straight safe drive

It s too far outta reach

But now the headlights are flashin by so fast

All directions seems the same

And the windscreen wipers keep a beat repeatin

You can t let go again

**D**

**Bm** **Em**  
Sometimes the world outside'll take you in with just a smile

**A** **G**  
And you so blinded with desire

**Bm**  
A hundred sleepless nights have left me

**Em**  
Wasted and so cold

**A** **G**  
But I can take it I'm hangin' on

Can't let go  
There's a madness in my soul tonight  
Can't let go  
Must ride it like the storm  
Can't let go  
Will I run out of control tonight  
Can't let go  
Until every trace is gone
