Why in the world are you so cruel? |x2

Here is a girl who s working in a factory

Spends all her time there thinking what she want to be

She got no boyfriend - she got no window

She just a lonely heart - it s tearing me apart

There s a boy now doesn t have a word to say

Cat got your tongue now - night to night and day to day

He got no girl friend - he got no money

He just a lonely heart - it s tearing me apart

Why in the world are you so cruel?

Intro

Everywhere I go there s a world full of heartbreak

Hole in the sky now - tell me where for God s sake

Where is that sunshine? where is that rainbow?

Who got an answer here? tell me what I want to know

Nobody knows the trouble I see

Nobody cares - nobody but me

And James Bond, Jackie O, Johnnie Ray and Garbo

Who got an answer here? tell me what I want to know

Why in the world are you so cruel?
