

**Dance Away**  
**Bryan Ferry**

**E** **C#m**  
Yesterday - well it seemed so cool  
**A** **B**  
When I walked you home, kissed goodnight  
**A** **B**  
I said it s love you said all right  
**E** **C#m**  
It s funny how I could never cry  
**A** **B**  
Until tonight and you pass by  
**A** **B**  
Hand in hand with another guy  
**A** **B**  
You re dressed to kill and guess who s dying?

**F#** **Ebm**  
Dance away the heartache  
**B** **C#** **F#** **Ebm**  
Dance away the tears - Dance away

Loneliness is a crowded room  
Full of open hearts turned to stone  
All together all alone  
All at once my whole world had changed  
Now I m in the dark, off the wall  
Let the strobe light up them all  
I close my eyes and dance till dawn

Dance away -

Now I know I must walk the line  
Until I find an open door  
Off the street onto the floor  
There was I - many times a fool  
I hope and pray, but not too much  
Out of reach is out of touch  
All the way is far enough

Dance away -
