Dance Away
Bryan Ferry

```
    C#                          Bbm
Yesterday - well it seemed so cool
        F#                G#
When I walked you home, kissed goodnight
 F#                       G#
I said  it s love  you said  all right
 C#                         Bbm
It s funny how I could never cry
 F#                  G#
Until tonight and you pass by
 F#                  G#
Hand in hand with another guy
 F#                          G#
You re dressed to kill and guess who s dying?

 Eb               Cm
Dance away the heartache
 G#                 Bb         Eb          Cm
Dance away the tears - Dance away
```

Loneliness is a crowded room
Full of open hearts turned to stone
All together all alone
All at once my whole world had changed
Now I m in the dark, off the wall
Let the strobe light up them all
I close my eyes and dance till dawn

Dance away -

Now I know I must walk the line
Until I find an open door
Off the street onto the floor
There was I - many times a fool
I hope and pray, but not too much
Out of reach is out of touch
All the way is far enough

Dance away -
