

Dance Away
Bryan Ferry

D **Bm**
Yesterday - well it seemed so cool
G **A**
When I walked you home, kissed goodnight
G **A**
I said it s love you said all right
D **Bm**
It s funny how I could never cry
G **A**
Until tonight and you pass by
G **A**
Hand in hand with another guy
G **A**
You re dressed to kill and guess who s dying?

E **C#m**
Dance away the heartache

Dance away the tears - Dance away

Loneliness is a crowded room
Full of open hearts turned to stone
All together all alone
All at once my whole world had changed
Now I m in the dark, off the wall
Let the strobe light up them all
I close my eyes and dance till dawn

Dance away -

Now I know I must walk the line
Until I find an open door
Off the street onto the floor
There was I - many times a fool
I hope and pray, but not too much
Out of reach is out of touch
All the way is far enough

Dance away -
