Mama says truth is all that matters

Lying n deceiving is a sin

Drifting through a world that s torn and tattered

Every thought I have don t mean a thing

Mama says love is all that matters
Beauty should be deeper than your skin
Living for the moment - lips and lashes
Will I ever find my way again

Mama says only stormy weather
Don t know why there s no sun in the sky
Footsteps in the dark come together
Got to keep on moving or I ll die
