Mama says truth is all that matters

Dm Cm Gm

Lying n deceiving is a sin

Dm Cm Gm

Drifting through a world that s torn and tattered

Dm Cm Gm

Every thought I have don t mean a thing

Mama says love is all that matters

Beauty should be deeper than your skin

Living for the moment - lips and lashes

Will I ever find my way again

Mama says only stormy weather

Don t know why there s no sun in the sky

Footsteps in the dark come together

Got to keep on moving or I ll die
