Looking for you

I thought - I d find you walking in the rain
Just like a wayward child

So foolish is my pride

All night - looking for new love
Impossible true love - nothing at all
Looking for new ways - looking for strange blood

Your man - the one you seek
I thought - I d take you deep within myself

Hold on - the flower says reach out
The thunder says no shout is greater than mine
Listen and hold on - till the day fades out
Smothered in gold
