You know we made a vow to leave one another never

But now you never miss your water till your well is dry

Come on now baby give our love a try

Let s stick together, c mon c mon let s stick together

You know we made a vow to leave one another never

Then if you re stuck for a while consider our child

How can it be happy without its ma and pa

Let s stick together, c mon c mon let s stick together

You know we made a vow to leave one another never
