

Love Is The Drug
Bryan Ferry

Am
T aint no big t ing
Em
To wait for the bell to ring
Am
T aint no big t ing
Em
The toll of the bell

Am **C**
Aggravated - spare for days
Em
I troll downtown the red light place
Am **C**
Jump up bubble up - what s in store
Em
Love is the drug and I need to score

Am **C**
Showing out, showing out, hit and run
Em
Boy meets girl where the beat goes on

Bm
Stitched up tight, can t shake free
Em
Love is the drug got a hook on me

Am
Oh oh catch that buzz
Em
Love is the drug I m thinking of

Bm
Oh oh can t you see
Em
Love is the drug for me

Late that night I park my car
Stake my place in the singles bar

Face to face, toe to toe
Heart to heart as we hit the floor

Lumber up limbo down
The locked embrace, the stumble round

I say go, she say yes
Dim the lights, you can guess the rest

Oh oh catch that buzz
Love is the drug I m thinking of

Oh oh can t you see
Love is the drug got a hook in me

Oh oh catch that buzz
Love is the drug I m thinking of

Oh oh can t you see
Love the drug for me
