Bbm

Oh oh can t you see

Ebm

Love is the drug for me

Late that night I park my car
Stake my place in the singles bar

Face to face, toe to toe
Heart to heart as we hit the floor

Lumber up limbo down
The locked embrace, the stumble round

I say go, she say yes
Dim the lights, you can guess the rest

Oh oh catch that buzz
Love is the drug I m thinking of

Oh oh can t you see
Love is the drug got a hook in me

Oh oh catch that buzz
Love is the drug I m thinking of

Oh oh can t you see
Love the drug for me
