Me Oh My
Bryan Ferry

(Bryan Ferry)

Intro: **D#m   C#   B   G#m   D#m   C#   B   G#m**

D#m   **C#**
Me oh my - I can t believe my eyes
B   **G#m**
Everything I care about is gone - I wonder why

Life is tough - no matter how I try
Tell me that I m dreaming
Tell me it s a lie

Me oh my - show me that you re mine
Can t you hear my beating heart
Go in and out of time

D#m   C#   B   G#m

Me oh my - I can t go on
What can I believe in
Now that you re gone

Ring phone ring - a telephone line
Can t you hear my beating heart
Go in and out of time

D#m   C#   B   G#m

   D#m   **C#**   **B**
   Out of my mind, out of the blue
                     G#m   **D#m**
   Something incredible, so deja vu

   How many times, broken in two
   Maybe the same thing ll happen to you

as intro

Me oh my - my world gone wrong
Running out, running out,
Of everything I want

   Out of my mind, out of the blue
   Something incredible, so deja vu

   How many times, broken in two

Maybe the same thing ll happen to you

Nothing is real, nothing is true
Wish I could say the same thing about you

How many times, broken in two
Wish I could stay, but I m just passing through
