Intro: **D# Bb G# Cm Bb**

D# Fm
You ve got a lotta nerve
G# D#
To say you are my friend
D# Bb
When I was down
G# Cm Bb
You just stood there grinning

You got a lotta nerve
To say you got a hand to lend
You just want to be on
The side that s winning

You say I let you down
You know it s not like that
If you re so hurt
Why then don t you show it

You say you lost your faith
But that s not where it s at
You had no faith to lose
And you know it

I know the reason
That you talk behind my back
I used to be among the crowd
You re in with

Do you take me for such a fool
To think I d make contact
The one who tries to hide
What he don t know to begin with

I wish that for just one time
You could stand inside my shoes
And just for that one moment
I could be you

Yes, I wish that for just one time
You could stand inside my shoes
You d know what a drag it is
To see you
