

Taxi
Bryan Ferry

(Banks, Brooks)
Intro: **F**

F
Taxi!

Em **Am**
Take me to the other side of town just as fast you can

F
Taxi!

Em **Am**
Before my baby puts me down

F
Now please, won't you hurry

Am
See, she's got me worried

F **Em**
Don't want to lose her love

F
Cross town is too slow

Am
Hitchhike into no no

F **G**
She's all I'm thinking of.

Taxi!
Got some catching up to do
Taxi!
Like a fool I broke her heart in two
And start your meter running
Get your engine humming
Just wanna see her
Just wanna see her
Get along the meddle
Tonight I'm gonna settle
Had a seizure
And I know it grieves her

as version

Taxi!
Take me to my baby's place just as fast you can
Taxi!
You got to get me there on time
Freeway will be quicker
No man's gonna get her
I'm going out of my mind
She is why I'm living

This is why I m willing

F

Jumping red lights, stop signs

G

Just get me there on time.
