

Taxi
Bryan Ferry

(Banks, Brooks)

Intro: **F**

F
Taxi!

Take me to the other side of town just as fast you can

F
Taxi!

Before my baby puts me down

F
Now please, won t you hurry

Am
See, she s got me worried

F **Em**
Don t want to lose her love

F
Cross town is too slow

Am
Hitchhike into no no

F **G**
She s all I m thinking of.

Taxi!
Got some catching up to do
Taxi!
Like a fool I broke her heart in two
And start your meter running
Get your engine humming
Just wanna see her
Just wanna see her
Get along the meddle
Tonight I m gonna settle
Had a seizure
And I know it grieves her

as version

Taxi!
Take me to my baby s place just as fast you can
Taxi!
You got to get me there on time
Freeway will be quicker
No man s gonna get her
I m going out of my mind
She is why I m living

This is why I m willing

F

Jumping red lights, stop signs

G

Just get me there on time.

Taxi!

Take me to the other side of town just as fast you can

Taxi!

Before my baby puts me down

Now please, won t you hurry

See, she s got me worried

Don t want to lose her love

F **Em** **Am**

Taxi!

Taxi!...
