

The Right Stuff

Bryan Ferry

(Ferry/Marr)

Intro: **Am**

Am

Got your money on the table
And the devil in your eye
Who is that woman with the crooked smile?
You got to go with what you feel
A little loving is a dangerous thing
Black is the ocean, a burning sky

Dm Em F G Am

Her nature s wild, it s hard to beat the right stuff
It s mountain high, river deep the right stuff

Got your pearls on a string
And your skin s so bare
Over your shoulder there s a world out there
You got the nerve, you gonna win
Boy you re playing with a dangerous thing

Her nature s wild, hard to beat the right stuff
It s mountain high, river deep the right stuff

as intro

So it goes without saying
The queen of the Nile
Lion woman with the crooked smile
You got the nerve, who s gonna win?
Boy you re playing with a dangerous thing

Her nature s wild, hard to beat the right stuff
It s mountain high, river deep the right stuff
