This is Tomorrow - Bryan Ferry from the album - In Your Mind
Key = Bm
Verse 1
Here in the hush of evenin on a night in June
Over-hearin conversations, bayin at the moon
             F#7
And suddenly a voice I m hearin s sweet to my ear
          D
                      E9
                                 A11 A13
 This is tomorrow callin wishin you were here
Verse 2
 Layin in my motel bedroom, feelin ceiling blues
Wall to wall a TV s twitchin, clearly not a muse
                       F#7
Then suddenly thru the interference beams a thousand tunes
                      E9
 This is tomorrow callin what have I to lose
Instrumental
D, D, B, G#, E, A F#, D, D, B, G#, E, A F#
Verse 3
Truckin by the railway station, I m on the road again
Steerin clear of all temptation, unto the point of pain
                    F#7
When staemin thru on cue I hear that wail-in whistle blow
                          E9 A11 A13 E7
                                                   Α7
  If this is tomorrow callin
                                               Oh what a way to go
(Haven t figured this bit out yet, but the chords are as per the verse)
