**Bryan Ferry**

This is Tomorrow - Bryan Ferry from the album - In Your Mind

Key = **Cm**

Verse 1

**Bb**                      **Eb**                                      **Bb**  
Here in the hush of evenin on a night in June  
                                 **Eb**                                      **Bb**  
Over-hearin conversations, bayin at the moon  
                                 **G7**                                      **G#**  
And suddenly a voice I m hearin s sweet to my ear  
**F**                      **Eb**                                      **F9**                      **Bb11 Bb13**                      **Eb**  
This is tomorrow callin wishin you were here

Verse 2

**Bb**                      **Eb**                                      **Bb**  
Layin in my motel bedroom, feelin ceiling blues  
                                 **Eb**                                      **Bb**  
Wall to wall a TV s twitchin, clearly not a muse  
                                 **G7**                                      **G#**  
Then suddenly thru the interference beams a thousand tunes  
**F**                      **Eb**                                      **F9**                      **Bb11 Bb13**  
This is tomorrow callin what have I to lose

Instrumental

**Eb, Eb, C, A, F, Bb G, Eb, Eb, C, A, F, Bb G**

Verse 3

**Bb**                      **Eb**                                      **Bb**  
Truckin by the railway station, I m on the road again  
                                 **Eb**                                      **Bb**  
Steerin clear of all temptation, unto the point of pain  
                                 **G7**                                      **G#**  
When staemin thru on cue I hear that wail-in whistle blow  
**F**                      **Eb**                                      **F9**                      **Bb11 Bb13**                      **F7**                      **Bb7**                      **Eb**  
If this is tomorrow callin Oh what a way to go

Solo

(Haven t figured this bit out yet, but the chords are as per the verse)

Verse 4

**Bb**                      **Eb**                                      **Bb**  
Day to day you live old fashioned, high toned fancy free  
                                 **Eb**                                      **Bb**  
A double take an image splittin, tailored to a T.  
                                 **G7**                                      **G#**  
While history is telling you, the same old thing
