I didn t know which way to turn
I didn t know which way to turn
Can t control my feelings if I tried
Right from wrong from left to right

I didn t know which way to turn
Walk on ice feel your fingers burn
Walk on ice feel your fingers burn
And the world you know easing out of time

Can t control my feelings if I tried
Can t control my feelings if I tried
And the world you know easing out of time
Easing out of time...
