I made a special valentines card for a girl i like
D **G** **A** **D** **G A**
I gave it to her in class with all the rest
D **G** **A** **D** **G A**
I watched her open it out of the corner of my eye
D **G** **A** **D** **G A**
she read it then went right on to the next
D **G** **A** **D** **G** **A**
I felt so broken hearted we were over before we started
D **G** **A**
I guess she didn t like what i wrote
D **G** **A** **D** **G A**
I spent for ever on that stupid love note it said...

D **G** **A** **D** **G** **A**
I m glad you and i are friends and i hope that never ends
D **G** **A**
But i ve been thinking we could be more
D **G** **A** **D** **G A**
That s what valentines day is for

Then i noticed my best friend Christy was smiling at me
She was holding the card she wasn t supposed to be
She walked right over and got real close to me
I never noticed it before but her eyes were p-r-e-e-t--y

She said.. i m glad you and i are friends and i hope that never ends
But I ve been thinking we could be more
That s what valentines day is for

Then my heart started pounding and my knees went weak
My best friend Christy kissed me on the cheek {with her lips)
I felt so happy hearted, look at what my mess up started
I took her hand and said

I m glad you and i are friends and i hope that never ends
But I ve been thinking we could be more
That s what valentines day is
That s what valentines day is for
