

Petty Lies

Bryarly Bishop

My friend and I recently discovered this song and love it!! You can buy it on Bandcamp.com where she also posted the chords. This girl is amazing :) All credit goes to her.

Standard Tuning

Capo 6

G

My ankles keep clicking

D

My ideas keep sticking

G

C

I wish that I had less time

G

But I m tired and tested

D

My heart double-breasted

G

C

And I m waiting to lose my mind

G

I m loosely configured

D

And often delivered

G

C

In packages tied with twine

G

I m easily dented

D

And partly demented

G

C

And I m not even sure I m mine

G

Am

I don t mind

G

Am

I don t mind

G

C

G

I don t mind that I mind

G

C

G

I don t mind that I mind

G

I don t mind

G

My fingers are cracking

D

My spirit is lacking

G **C**

I wish I knew what to do

G

But I m slowed up and mindless

D

Deliberately kindless

G **C**

And I can t ever tell what s true

G

I m heartlessly hopeful

D

And childishly woeful

G **C**

My colors are tinged with blue

G

I know all my demons

D

Their names and their seasons

G **C**

But I m still getting used to you

G **Am**

I don t mind

G **Am**

I don t mind

G **Am**

I don t mind

G **C** **G**

I don t mind that I mind

G **C** **G**

I don t mind that I mind

G **C** **G**

I don t mind that I mind

G

I don t mind
