

Petty Lies

Bryarly Bishop

My friend and I recently discovered this song and love it!! You can buy it on Bandcamp.com where she also posted the chords. This girl is amazing :) All credit goes to her.

Standard Tuning

Capo 6

A

My ankles keep clicking

E

My ideas keep sticking

A

D

I wish that I had less time

A

But I m tired and tested

E

My heart double-breasted

A

D

And I m waiting to lose my mind

A

I m loosely configured

E

And often delivered

A

D

In packages tied with twine

A

I m easily dented

E

And partly demented

A

D

And I m not even sure I m mine

A

Bm

I don t mind

A

Bm

I don t mind

A

D

A

I don t mind that I mind

A

D

A

I don t mind that I mind

A

I don t mind

A

My fingers are cracking

E

My spirit is lacking

A **D**

I wish I knew what to do

A

But I m slowed up and mindless

E

Deliberately kindless

A **D**

And I can t ever tell what s true

A

I m heartlessly hopeful

E

And childishly woeful

A **D**

My colors are tinged with blue

A

I know all my demons

E

Their names and their seasons

A **D**

But I m still getting used to you

A **Bm**

I don t mind

A **Bm**

I don t mind

A **Bm**

I don t mind

A **D** **A**

I don t mind that I mind

A **D** **A**

I don t mind that I mind

A **D** **A**

I don t mind that I mind

A

I don t mind
