

Coldhearted
Bryce Fox

[Intro]

Am G Am G

[Verse 1]

Am **G**

It s somewhere north of Florida

Am **G**

A little west of Georgia

Am **G F**

At my best, you re not impressed

Cause I m a loser

Am **G** **Am** **G**

Both my wings are frozen, cold like Minnesota

F

Pinned between the boulders with the rest

[Pre-Chorus]

F

But I try, I try not to need you

G Am

Like you need me

F

And I try, and I try not to need you

G Am C

Like you need me

[Chorus]

F **G Am**

I m sick and tired of living in LA

F **G Am**

Where the sun is out but there s so much shade

F **G Am**

I need a place to go with the seasons

C

F

Where no one out has a reason to be coldhearted

G Am C

To be coldhearted

[Verse 2]

Am **G**

You like hills and yoga

Am **G**

I like hanging over

Am **G** **F**
You re more like Kim and I m too nice to be your Kanye

Am **G**
Stand up like a soldier

Am **G**
But I m a rock & roller

F
I take my rage and throw the flames into the water

[Pre-Chorus]

F
But I try, I try not to need you

G **Am**
Like you need me

F
And I try, and I try not to need you

G **Am** **C**
Like you need me

[Chorus]

F **G Am**
I m sick and tired of living in LA

F **G Am**
Where the sun is out but there s so much shade

F **G Am**
I need a place to go with the seasons

C **F**
Where no one out has a reason to be coldhearted

G Am C
To be coldheartedd

[Bridge]

Am **G**
I m way too cold to hold ya

F **C**
Call me when it s over

Am **G** **F** **C**
I realized I m just as frozen as the rest

[Chorus]

F **G Am**
I m sick and tired of living in LA

F **G Am**
Where the sun is out but there s so much shade

F **G Am**
I need a place to go with the seasons

C **F**
Where no one out has a reason to be coldhearted

G Am C
To be coldhearted
