

Consider Christ
Bryson Smith

[Verse 1]

D2 **G**
Consider Christ, the source of our salvation
Bm **A** **Gsus2**
That he should take the penalty for me
G **D** **G**
Though he was pure, a lamb without a blemish
Bm **A** **Gsus2** **G**
He took my sins, and nailed them to the tree

[Chorus]

A/C# **D** **G** **A** **Bm**
My Lord and God, you are so rich in mercy,
D/A **GM7** **Em7** **A/C#**
Mere words alone, are not sufficient thanks
D **G** **A** **Bm**
So take my life, transform, renew and change me
D/A **GM7** **Em** **GM7/A** **D**
That I might be a living sacrifice

[Verse 2]

D2 **G**
Consider Christ, that he could trust his Father
Bm **A** **Gsus2**
In the garden of Gethsemane
G **D** **G**
Though full of dread and fearful of the anguish
Bm **A** **Gsus2** **G**
He drank the cup that was reserved for me

[Chorus]

A/C# **D** **G** **A** **Bm**
My Lord and God, you are so rich in mercy,
D/A **GM7** **Em7** **A/C#**
Mere words alone, are not sufficient thanks
D **G** **A** **Bm**
So take my life, transform, renew and change me
D/A **GM7** **Em** **GM7/A** **D**
That I might be a living sacrifice

[Verse 3]

D2 **G**
Consider Christ, for death he has defeated
Bm **A** **Gsus2**
And he arose, appeared for all to see
G **D** **G**
And now he sits at God s right hand in heaven

Bm **A** **Gsus2 G**
Where he prepares a resting place for me

[Chorus]

A/C# **D** **G** **A** **Bm**
My Lord and God, you are so rich in mercy,

D/A **GM7** **Em7** **A/C#**
Mere words alone, are not sufficient thanks

D **G** **A** **Bm**
So take my life, transform, renew and change me

D/A **GM7** **Em** **GM7/A** **D**
That I might be a living sacrifice
