Letra y acordes de Butter (Letra y música de Banda BTS?) Transcripción x para
Pueden bajarla un semitono para facilitar Intro(percusión) o SOL#Smooth like
butterLike a criminal undercoverGon pop like troubleBreakin into your heart
like that (Ooh) SOL#Cool shade stunnerYeah, I owe it all to my motherHot like
summerYeah, I m makin you sweat like thatBreak it down. DO#Oh, when I look in
the mirrorRE#
                         FAmI ll melt your heart into twoDO#I got that superstar
glow so RE#
                FAm(Ooh) Do the boogie like. DO#
RE#
             FAmSide step, right, left to my beat (Heartbeat)DO#
                       RE#
                                FAmHigh like the moon, rock with me, babyDO#Know
that I got that heat
                                                                  FAmLet me show
you cause talk is cheapDO#
                                                             RE#Side step,
right, left to my beat (Heartbeat)Get it, let it roll. SOL#Smooth like
butterPull you in like no otherDon t need no UsherTo remind me you got it bad.
SOL#Ain t no otherThat can sweep you up like a robberStraight up, I got yaMakin
you fall like that Break it down. DO#Oh, when I look in the mirrorRE#
  FAMI 11 melt your heart into twoDO#I got that superstar glow so RE#
                                                                            FAm
(Ooh) Do the boogie like. DO#
                                                               RE#
                                                                            FAm
Side step, right, left to my beat (Heartbeat)DO#
                FAmHigh like the moon, rock with me, babyDO#Know that I got that
heat
                  RE#
                                                  FAmLet me show you cause talk
is cheapDO#
                                             RE#Side step, right, left to my
beat (Heartbeat)Get it, let it roll. DO#
                                            RE# FAmDO#
                                                           RE# FAm
                                                                              Get
it, let it roll...DO#
                         RE#
                             FAmDO#
                                        RE#
                                                     Get it, let it roll... DO#
Ice on my wrist, I m the nice guyRE#
                                                           FAmGot the right body
and the right mindDO#Rollin up to party, got the right vibeRE#
   FAmSmooth like (Butter), hate us (Love us)DO# Fresh boy pull up and we lay
                             FAmAll the playas get movin when the bass lowDO#
lowRE#
                           RE#Got ARMY right behind us when we say soLet s go
DO#
                                     RE#
                                                 FAmSide step, right, left to my
beat (Right, left to my beat)DO#
                                                                       RE#
FAmHigh like the moon, rock with me, babyDO#
Know that I got that heat
                                          RE#
FAmLet me show you cause talk is cheap (You know that talk is cheap)DO#
                         RE#
                                     FAmSide step, right, left to my beat
(Heartbeat)Get it, let it roll. DO#Smooth like (Butter), cool shade (Stunner)
                         FAmAnd you know we don t stopDO#Hot like (Summer), ain
RE#
t no (Bummer)
                 RE#
                                    FAmYou be like oh my godDO#We gon
rock and you say (Yeah)RE#
```

make you bounce and you say (Yeah)DO#Hotter? Sweeter! Cooler? Butter!RE#Get it,
