

Permission to dance

BTS

E **B** **C#m**
It s the thought of being young
B **A**
When your heart s just like a drum
G#m **A** **B**
Beating louder with no way to guard it
E **B** **C#m**
When it all seems like it s wrong
B **A**
Just sing along to Elton John
G#m **A** **B**
And to that feeling, we re just getting started

C#m **B**
When the nights get colder
A **B**
And the rhythms got you falling behind
C#m **B**
Just dream about that moment
A **B**
When you look yourself right in the eye, eye, eye
Then you say

E **B**
I wanna dance
C#m **B**
The music s got me going
A **G#m** **A** **B**
Ain t nothing that can stop how we move, yeah
E **B**
Let s break our plans
 C#m **B**
And live just like we re golden
 A **G#m** **A** **B**
And roll in like we re dancing fools

C#m **B**
We don t need to worry
A **B**
Cause when we fall, we know how to land
 E **B** **C#m** **B** **A**
Don t need to talk the talk, just walk the walk tonight
 G#m **A** **E**
Cause we don t need permission to dance

E **B** **C#m** **B**
There s always something that s standing in the way
A **G#m**
But if you don t let it phase ya
A **B**
You ll know just how to break
E **B**
Just keep the right vibe, yeah
C#m **B**
Cause there s no looking back
A **G#m**
There ain t no one to prove
A **B**
We don t got this on lock (Yeah)

C#m **B**
The wait is over
A **B**
The time is now so let s do it right, mm (Yeah)
C#m **B**
Yeah we ll keep going
A **B**
And stay up until we see the sunrise

And we ll say (Yeah)
