Intro - played with power chords

C-B-G C-B-G
C B C-B-G
G D E(hi)C
G D C B C B C-B-G
C B C B D

Verse 1 - play bar chords in the E form clean with ska type rhythm

[tab]G C
I didn t mean to blow you off[/tab]

I never really thought to call you
[tab]G D C G
When I saw you yesterday you said everything was fine[/tab]
[tab] C
And all this laughing means I m running away[/tab]
[tab] G C
Because the things we had are fucked[/tab]
[tab] D
and the things we had are gone[/tab]

Chorus - back to power chords

[tab]G D C G
Sometimes it takes so long to wake up[/tab]
[tab]G D C B C-B-G
What s the matter with my life anyway (repeat)[/tab]

Verse 2 - same as first verse

Well friends around me like to talk I guess they wanna know
If I m gonna get a job or if I m gonna sleep till noon
And all these people need to keep their mouth shut
Cause in the end the choice is mine

You never heard me asking you

Chorus

Bridge - power chords

```
[tab]D Eb E                D
      Don t wanna play a part[/tab]
[tab]D Eb E                D
      Don t wanna play a part[/tab]
[tab]    C                D
      Cause I m living on living[/tab]
[tab]    C                D
      Cause I m living on living[/tab]
```

Final verse

So I guess I know who my friends really are
All those times it came to stealing never let me go that far
And when you told me not to smoke it but I did
And it took me far away yeah it took me far away

Chorus - play last chorus a bunch of times

I spent lots of time playing this song
and tabbing it out, so I ll be damned if
there s a mistake in it. But if you find
one let me know. I m open to suggestions
and requests. E - mail me at rdp@juno.com from
now on.
