Artist: Buck Owens

Song: Streets of Bakersfield

[Verse 1]

D E7 A D

A D

I came here in looking for something

E7 A

I couldn t find anywhere else

A I

Hey, I m not trying to be nobody,

E7

Just want a chance to be myself
I ve done a thousand miles of thumbin ,
Yes, I ve worn blisters on my heels
Trying to find me something better
On the streets of Bakersfield

## [Chorus]

You don t know me but you don t like me,
You say you care less how I feel
How many of you that sit and judge me
Ever walked the streets of Bakersfield
Spent some time in San Francisco,
Spent a night there in the can
They threw this drunk man in my jail cell,
I took fifteen dollars from that man

## [Verse 2]

I left him my watch and my old house keys, Don t like folks thinking that I d steal Then I thanked him as he was sleeping, And I headed out for Bakersfield How many of you that sit and judge me Ever walked the streets of Bakersfield
