Abel nani o son nani obiete iru no naite iru no waratte iru no

**F#m**                                    **A**                                    **D**                                    **E**  
Ano hi kurui dashite shimattandane yume o miru no nemutte iru no

**F#m**                    **A**                                    **D**                                    **E**                                    **F#m**  
Hiwaina line midarana sign tadayou ore mo anata mo mayonaka e...

**F#m**                                    **A**                                    **D**                                    **E**  
Abel ore wa hitsuji tachi kazoete iru utsutsu no you ni akumu no you ni

**F#m**                                    **A**                                    **D**                                    **E**  
Chigireta mind makka na rain tadayou ore mo anata mo mayonaka

**F#m**                                    **A**                                    **D**                                    **E**  
Afureru wine nageki no kain tada you ore mo anata mo mayonaka

**F#m**                    **A**                                    **B**                                    **A**                                    **E**  
Konya juuji o se ni kurayami hashire inochi gakede

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**                                    **F#m**  
Konya chi hashiru mede kurayami sa mayou nageki no kain

**F#m**                                    **A**                                    **D**                                    **E**  
Hiwaina line midarana sign tadayou ore mo anata mo mayonaka

**F#m**                                    **A**                                    **D**                                    **E**  
Afureru wine nageki no kain tada you ore mo anata mo mayonaka

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya juuji o se ni kurayami hashire inochi gakede

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya chi hashiru mede kurayami sa mayou nageki no kain

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya juuji o se ni shinu made hashire inochi gakede

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya chi hashiru mede shinu made odore nageki no kain

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya juuji o se ni shinu made hashire inochi gakede

**F#m**                                    **A**                                    **B**                                    **A**                                    **E**  
Konya chi hashiru mede shinu made odore nageki no kain
