(Verse)

Bm **A**
In my darkest state of mind
I am riddled with despair
When I try and close my eyes
Your voice is all I hear

(PreChorus)

G **Bm** **A**
I will think of you tonight
I will hold back all my tears
E **F#**
I ve waited all these years

(Chorus)

D
Please don t go away
A
You re making a mistake
B **G**
You and I were meant to be
D
You opened up my eyes
A
And made me realize
B **G**
Now it s changing everything
F#
It s crazy how I feel this way
G **A**
I can t explain
G
Don t go away Fill(intro) 2x

Bm **A**
I see your shadow all the time
I see your face inside my mirror
Like a sunset in the sky
You distract me from my fears
G **B** **A**
I keep holding it inside

And I wish that you were near
G **F#**
It's better when You're here

D
Please don't go away
A
You're making a mistake
Bm **G**
You and I were meant to be
D
You opened up my eyes
A
And made me realize
B **G**
Now it's changing everything
E **F#**
It's crazy how I feel this way
G **A**
I can't explain
G **G**
Don't go away

B **A** **G**
All the things you said
B **A** **G**
And all the games we played
E
Will come back to you
G
See the look in your eyes
F#
Ooooh, don't go away

G **B A (2X)**

D
Please don't go away
A
You're making a mistake
B **G**
You and I were meant to be

D
Please don't go away
A
You're making a mistake
B **G**
You and I were meant to be
D
You opened up my eyes
A

And made me realize

B G

Now it s changing everything

E F#

It s crazy how I feel this way

G A E F#

I can t explain how I feel this way

G A

It s hard to say

E F#

I wanna make you see

G A

What you mean to me

G

Don t go away
