(Every time a chord is written down it means it is played for one measure)
It s a really easy song, so have fun

Verse 1:

Dm C Bb

Another day

A Dm C Bb

Staring out of my window

A Gm(2x) A

Thinkin bout tomorrow

A Dm C Bb A

Whishing things would clear

Dm C Bb

No need to rush

A Dm C Bb

I ain t gonna worry

A Gm(2x) A

Any moment my sorrow

A Dm C Bb A

Is bound to disappear

Chorus:

Gm A

Sometimes I tell myself

Bb C

I m better off without you

Gm A

And then I have to face the emptiness

Bb C

I feel inside without you

Gm A Dm C Bb A

And find a way to make it through another day

Verse 2: (Same as the first)

I need a way

To find the truth within me

Accept the fact that I love you

My blue eternity

I hear they say

What doesn t kill you makes you stronger

I must have the heart of a lion

Sifting through loves remains

(Chorus)

Verse 3:

My love for you is edged

Forever in my memory

Now I realize that life goes on

Even though you re not here with me

I wake up looking forward to another day

A day of living without you

Just another day

In the instrumental part the chords are shifted one fret higher

I hope it s all clear, it s my first tab so....
