Budapest

Budapest - Evade The Pain (John Garrison)

Capo 1st

(intro)

Em G A (x2)
Em G A C7 Bm

(verse)

Em **G** **A**
Rounded up the problems that im feeling here today
Em **G** **A**
wrap them up and hide them out of sight and far away.
Em **G** **A** **C7** **Bm**
take the ball and chain away that always keeps me down.
Em **G** **A**
The sun wont always shine just cause you re sheltered from the rain.
Em **G** **A**
Everything worth anything will never be the same.
Em **G** **A** **C7** **Bm**
You can write a brand new chapter but you ll never change the end.

(chorus)

C **D** **Em** **G**
So twist one more although i know you ll break me, just be
C **D** **Em** **G**
sure that im still in the game, as long as
C **D** **Em**
i forever keep on twisting
G **C** **Bm**
Evade the pain.
D **C** **Bm**
Evade the pain.
D **C** **Bm**
Evade the pain.
D **Em**
Evade the pain (Em)

(verse)

Em **G** **A**
Solitude is where it tends to hit me really hard.

Em **G** **A**
I keep myself in company, im keeping up my guard,
Em **G** **A** **C7** **Bm**
Turn my back and hide from what is standing right behind.

(chorus)

C **D** **Em** **G**
So twist one more although i know you ll break me, just be
C **D** **Em** **G**
sure that im still in the game, as long as
C **D** **Em**
i forever keep on twisting
G **C** **Bm** **D**
Evade the pain.

So twist one more although i know you ll break me
just be sure that im still in the game
as long as i forever keep on twisting

G **C** **Bm**
Evade the pain.

D **C** **Bm**
Evade the pain.

D **C** **Bm**
Evade the pain.

C **Bm** **D**
Everything i know is different,
C **Bm** **D**
Darker, colder, smaller, thinner,
C **Bm** **D**
Everything i know is different
C **Bm** **D**
now, its different now, its different
C **Bm** **D**
now, its different now, its different
C **Bm** **D**
now, its different now, its different
C **Bm** **D** **Em**
now, its different now. its different now
