

I ve just seen this band live and they were s\*\*t hot!  
so if you get a chance, check em out.

Chorus,      A                          E                          F#                          D  
Believe me when I say we expect to fail ah ha, x2  
F#                          D                          F#                          D  
we expect to fail ah ha, we expect to fail ah ha

Verse 2 A  
And if I ever meet you here sometime again,  
Won t you be glad you left school and shed your baby heads?

Verse 3 (same chords)  
 You wrote the quote, The book, The note condemned to note,  
 Tragic vessel, Sensible shoes, Take advice from those who  
 went before.

(Chorus)

P.S This is my first transcription so go easy on me. Any comments e-mail me @ alockhart@beep.com -cheers!
