-Repeat Chorus-

(A) Maybe baby, (D) I ll have (E7) you for (A) me (D) (A)

I play the begining of song with a guitar riff similar to the Waylon Jennings medly version. You can hear Buddy slide the open D chord up to E but at the end of the verses he plays open E almost skipping the A. Buddy had such a great sense of rhythm and timing.  
recorded at the Officers mess at Tinker AFB while Buddy was on a day off from touring.  
All the background vocals were added later. The drummer JI Allison was trying to play a beat similar to Little Richards Lucille and I think thats what makes the intro sound so

great.
