

Well All Right  
Buddy Holly

A G A  
Well, all right so I m being foolish

A G A  
Well, all right let people know

A G A  
About the dreams and wishes you wish

A G A  
In the night when the lights are low

D E  
Well, all right, well all right

A G A  
We ll live and love with all our might

D E  
Well, all right, well all right

A G A  
Our lifetime love will be all right

Well, all right, so I m going steady  
It s all right when people say  
That those foolish kids cant be ready  
For the love that comes their way

Well, all right, well all right  
We ll live and love with all our might  
Well, all right, well all right  
Our lifetime love will be all right

(Repeat last verse)
