

Glow Of The Kerosene Light
Buddy Wasiname and the Other Fellers

Ok b ys, this is for all those newfies out there who want to learn an awesome song! It originally written by my great uncle, Wince Coles. I love this song! Enjoy!!

G **D** **G** **C**
I remember the time when my grandpa and I
G **D** **Em**
Would sit by the fire at night
G **D** **G** **C**
And Iâ€™d listen to stories, of how he was there
G **D** **Em**
By the Glow of the Kerosene Light
G **D** **G**
By the Glow of the Kerosene Light.

G **D** **G** **C**
He said: Mom and Dad sent me off to school
G **D** **Em**
Where I learned how to read and to write
G **D** **G** **C**
And they listened for hours, as I read from my books
G **D** **Em**
By the Glow of the Kerosene Light,
G **D** **G**
By the Glow of the Kerosene Light.

G **D** **G** **C**
Your Grandma and I, we were Wed at Sixteen
G **D** **Em**
Lord, she was a beautiful sight
G **D** **G** **C**
And proudly I placed the ring on her hand
G **D** **Em**
By the Glow of the Kerosene Light,
G **D** **G**
By the Glow of the Kerosene Light.

G **D** **G** **C**
About one year later, your daddy was born
G **D** **Em**
And your grandma held my hand so tight
G **D** **G** **C**
Oh! I canâ€™t tell the joy, as she brought forth new life
G **D** **Em**
By the Glow of the Kerosene Light,
G **D** **G**

By the Glow of the Kerosene Light.

G **D** **G** **C**
But having her child, it did weaken her soul

G **D** **Em**
She just wasn't up to the fight,

G **D** **G** **C**
But she looked so peaceful, as she went to her rest

G **D** **Em**
By the Glow of the Kerosene Light,

G **D** **G**
By the Glow of the Kerosene Light.

G **D** **G** **C**
Then, as now, the times they were hard

G **D** **Em**
To succeed you would try all your might

G **D** **G** **C**
But sometimes love blooms, and sometimes dreams die

G **D** **Em**
By the Glow of the Kerosene Light,

G **D** **G**
By the Glow of the Kerosene Light.
