[Verse 1]

G G/B D

Listen to my bluebird laugh

She can't tell you why

Deep within her heart you see

She knows only crying, just crying, yeah

There she sits, a lofty perch

Strangest color blue

Flying is forgotten now

She thinks only of you, just you, aww...

And each is differently used, you just know

If you could categorize, she got soul

C G C G D C G D
She got soul, she got soul, she got soul...

Do you think she loves you?

Sadness is her own

Fill herself a bath of tears

And go home, and go home
