Buffalo Springfield Come On Lover written by Steven Stills

D A D A  
I m not likely to see you anymore  
D A Bm A  
With the dawn I fly so you must listen  
D A D A  
Just to spite me you ve choosen to ignore  
D A Bm A  
That I m on to why your always missing  
F#m Bm  
So you ve got another  
E7 A  
Who just rings a bell when he needs you  
F#m Bm E7 A  
They tell me there s another who can never tell he loves you  
D A D A  
Before you yell there s another thing  
D A Bm A  
I guess you should here while I m thinking of it  
D A D A  
Ringing bells don t bother me  
D A Bm A  
Unless they become like strings to guide a puppet  
F#m Bm  
So you ve got another  
E7 A  
Who just rings a bell when he needs you  
F#m Bm E7 A  
They tell me there s another who can never tell he loves you  
D A D A D A  
No one ever can tell how much more love there is to  
Bm A  
find if you just listen
