Who s that stomping all over my face?
Cmaj7 F
Where s that silhouette I m trying to trace?
Cmaj7 F
Who s putting sponge in the bells I once rung
Cmaj7 F
And taking my gypsy before she s begun

To singing the meaning of what s in my mind

Before I can take home what s rightfully mine.

Am Dm
Stoppin the feeling to wait for the times.

Who s trying to tune all the bells that he rings?
Cmaj7 F
And who s in the corner and down on the floor

With pencil and paper just counting the score?
