Buffalo Springfield    Rock N Roll Woman    written by Steven Stills

**Ebmaj 7**          **C7**  
There s a woman that you ought to know  
          **Ebmaj 7**          **C7**  
And she s coming singing soft and low  
                          **C**  
Singing rock n roll she s a joy to know  
          **Ebmaj 7**          **C**  
Neath the shadow of her soothing hand  
          **Ebmaj 7**          **C**  
I am free there just to make my plans  
  
Dream of far away lands  
  
Anything close at hand  
**Gm**                  **Bb**          **C**  
And she will follow me    why    do you know  
**Gm**          **Bb**                          **C**  
Familiar places she s been by  
**Gm**          **Bb**                          **C Csus C C7**  
But if it seems she don t have to try    ??

**Eb C Eb C Eb C Eb C**

**Ebmaj 7**          **C7**  
And tomorrow she s a friend of mine  
          **Ebmaj 7**          **C7**  
And the sorrow I see her face is lined  
  
She s no longer mine  
          **C**                  **Eb**      **C9^?**  
She s just hard to find
