I am posting this song in response to a recent request.

TO PLAY THIS SONG EASIEST, CAPO THE 3rd FRET! ( BT frequently  
capoes 3rd and 5th frets in many of their songs!)

To simplify things for me, I tabbed it as if the capoed fret  
were open strings.

			D3
EXAMPLE)	5	is not a true D	2
	6	but i call it D3	3
	5	as if the capoed	2
	3	frets were 0 ->	0
	3		0
	3		0

CAPO 3rd FRET !!! CAPO 3rd FRET !!! CAPO 3rd FRET !!!
