Standard tuning  
kapo on the first fret

h-hammer on  
p-pull off  
x-dont play

verse:(note: this doesnt show the strumming pattern but dont worry listen to the song its easy to figure out)

<b>Am</b>	<b>D</b>	<b>G</b>	<b>Em</b>
--0-----2h4---	3-----x---	0-----	
--1p0---	3-----0---	x-----	0-----
--2-----2-----	0-----x---	0-----	
--2-----0-----	0-----0---	2-----	
--0-----0-----	2-----0---	2-----	
--0-----x-----	3-----2---	0-----	

Play that for every verse and the chourus is the exact same thing except the strumming pattern is slower and there are no hammer ons or pull offs.
