Intro: **A E A E**

Verse:

**A**  
Armbands today

**E**  
Couldn't save me from drowning

**A**  
In your point of view

**E** **Db**  
I tried to swim but I sank all the same

Bridge:

**B** **A**  
It's just the icing on the cake

**Db** **B** **A**  
To blame me for all of your mistakes

Chorus:

**E** **D** **E** **D**  
Do you feel like you need a torchlight

**A** **E**

To see your feet these days?

**D E D**

Kamikaze suited dinner

**A** **Gbm**

And your profiteering here

**A**  
But losing out elsewhere

Verse:

Start the car

Leave the trail of debt up to me

Here s your crown

Here s your laughter, applause and your gown

Bridge:

And did it ever feel this good

To be the ruler of your neighbourhood?

Chorus:

Do you feel like you need a torchlight

To see your feet these days?

Kamikaze suited dinner

And your profiteering here but losing out..

Outro:

**A**  
Everything you touch turns to gold

**E**  
Everything you touch turns to gold

(Repeat until end, finishes on an E chord)
