Let Me Rest In Peace  
by Lechu  
(Spike)

**Em** **D**  
I died so many years ago,  
**Em** **A** **G** **D**  
But you can make me feel like it isn't so.  
**Em** **D** **G** **Em** **A7**  
Why you come to be with me I think I finally know.  
**E** **D**  
Your scared, ashamed of what you feel,  
**Em** **A** **G** **D**  
But you can't tell the ones you love, you know they couldn't deal.  
**Em** **D** **A** **G** **A7**  
But whispering in a dead man's ear doesn't make it real.  
**E** **D**  
That's great, but I don't want to play,  
**Em** **A** **G** **D**  
Because being with you touches me, more than I can say.  
**D** **A** **Em**  
And since I'm only dead to you I'm saying stay away,  
**D** **A** **E**  
And let me rest in peace!

**Chorus**

**D** **A** **E**  
Let me rest in peace! Let me get some sleep!  
**D** **A** **E**  
Let me take my love and bury it in a hole that's 6 feet deep!  
**D** **A** **E**  
I can lay my body down but I can't find my sweet release.  
**D** **A** **E**  
So let me rest in peace!

You know you've got a willing slave,  
And you just love to play the part that you might misbehave.  
Until you do I'm telling you stop visiting my grave,  
And let me rest in peace!

**D** **Dm** **C#** **G#** **C** **C#**  
I know I should go but I follow you like a man possessed.  
**C#** **G#** **C** **C#** **G#** **C**  
**C#**  
There's a traitor here beneath my breast and it hurts me more than you've ever guessed.  
**C#** **G#** **C** **C#** **C#m** **G#**  
If my heart could beat it would break my chest, but I can see your unimpressed.  
**E**

So leave me be and...

Chorus
