F# **Eb7** **G#m7** **Bbdim**
You?re not ready for the world outside.
F# **Eb7** **G#m7** **Bbdim**
You keep pretending but you just can?t hide.
F# **C#** **Ebm** **B** **C#**
I know I said that I?d be standing by your side, but I...

Your path?s unbeaten and it?s all uphill, and you can meet it but you never will.

And I?m the reason that you?re standing still, but I...

F# **C#** **B (?)** **Ebm (?)**
I wish I could say the right words to lead you through this land.

F# **C#** **B(???)** **Ebm(?)**
Wish I could play the father and take you by the hand.

B **F#** **Ebm**
Wish I could stay here, but now I understand,

Am **F#**
I?m standing in the way.

The cries around you--you don?t hear at all, cuz you know I?m hear to take that call.

So you just lie there when you should be standing tall, but I...

I wish I could I lay your arms down and let you rest at last.

Wish I could slay your demons, but now that time is past.

Wish I could stay here, stalwart, standing fast, but

I?m standing in the way. I?m just standing in the way.
