Bugsy Malone, Down and Out  
Tabbed by Chris Parker: Leaningtonmyspade@gmail.com  
Drop 2 steps to play with the song

Play the Down down down down with a walking bass line mainly with the E and A strings. Play the Am, and play (002210, 302210, 102210, 002210), using your little finger and then thumb to play the walking bass line. Play it with all the Am in the tune too. You can kind of slap the bass strings and it sounds cool. Play with it, you ll get it.

**Am**

Down, down, down, down, down, down, down and out  
Down, down, down, down, down, down, down and out  
Down, down, down, down, down, down, down and out  
Down, down, down, down, down, down, down and out

**Am**

You don t have to sit around, complaining bout the way your life has wound up  
Think of all the time you waste, and time s a precious thing to let go by

**Dm**

**F**

**Am**

Sure you ve hit the bottom but remember you ll be building from the ground up

**Dm**

**F**

**E7**

Ev ry day s another step that takes you even closer to the sky, so give a try

Down, down, down, down, down, down, down and out  
Down, down, down, down, down, down, down and out

You don t have to sit around  
Depressed about the way that luck deceived you  
Fortune sailed away, you missed that boat  
And found that you d been left behind  
Fight and fight some more  
Until you know the world is ready to receive you  
Lady luck is fickle  
But a lady is allowed to change her mind

You don t have to sit around  
Complaining bout the way your life has wound up  
So be a man you know you can t be certain  
That you ll lose until you try  
You don t have to sit around  
Complaining bout the way your life has wound up  
So be a man you know you can t be certain  
That you ll lose until you try, so give it a try

We are marching up, up, up and out

(Repeat and fade)
