So you wanna be a boxer, in the golden ring Can you punch like a south-bound freight train, tell me just one thing $$D\!m$$

Can you move in a whirl like a humming bird s wing if you need to? $\mathbf{p}_{\mathbf{m}}$

Can you bob, can you weave can you fake, and deceive when you need to? Well, you might as well quit, if you haven t got it

So you wanna be a boxer, can you pass the test?
I can tell you ve got it in you, I ve trained the best.

When you work and you sweat and you bet that you train to a buzz-saw Then you near lose your mind when you find that your boy has a glass jaw So you might as well quit, if you haven t got it.

Putting him in the ring, Joe, look at what you found We can use the fun Joe, pushing him around

Well show him the ropes and destroy his hopes

Put him in the ring, Joe, give the guy a chance Let him feel the sting, Joe we can make him dance We ll pulp him to bits then he ll call it quits for sure, Joe

So you wanna be a boxer, wanna be the champ There s a golden boy inside you, not a punched-out tramp

If you listen and you learn, there s an honour you can earn and defend here When you do see the crown you re a king not a clown, a contender But you might as well quit, if you haven t got it

Put him in the ring, Joe, something new to punch Let me have a swing, Joe then we ll go to lunch We ll make it quite swift then he ll get the drift

Put him in the ring, Joe chicken a la carte Let me have a wing, Joe tearing him apart That chicken will crow C Bb G# G F

Let me have him Joe

Ding ding!
