```
[Intro]
e|----4----55-4-5----55-4-5-----|
G|---2------|
[Verse]
We could ve been anything that we wanted to be
And it s not too late to change
              G
I d be delighted to give it some thought
         D7
Maybe you ll agree that we really ought two, three, four
We could ve been anything that we wanted to be
Yes that decision was ours
It s been decided, we re weaker divided
Let friendship double up our powers
[Verse]
We could ve been anything that we wanted to be
And I m not saying we should
But if we try it, we d learn to abide it
We could be the best at being good guys!
[Verse]
Flowers of the earth
Who can even guess how much a real friend is worth?
Good guys! Shake an open hand
Maybe we ll be trusting if we try to understand
No doubt about it, it must be worthwhile
Good friends do tend to make you smile
[Verse]
We could ve been anything that we wanted to be
Yes, that decision is ours
It s been decided, we re weaker divided
Let friendship double up our powers
[Outro]
