Above It All
Building 429
Above It All
Building 429
Space In Between Us | Track 2
| B / / / | F# / / / | G#m / / / | E / / / |
VERSE 1:
      В
                                     F#
Oh I m waiting for the answer to the question in my soul
Lord why did you lead me here?
                                     F#
 Cause I, I take a look around and a desperate world surrounds me
       G#m
I know I m not of this place, but its here and in my face
PRE-CHORUS:
         G#m
                    F# E
All that I am wants to run
                   F#
           G#m
God I feel helpless and undone
CHORUS 1:
Lift me up above it all
            G#m
I m feeling broken and alone
Don t let me turn to stone
       в
Lift my heart above it all
    G#m
                 F#
I ve lost my hope tonight
                       C#
And I m praying for the strength to carry on
              Е
                      F#
Lord will you lift me above it all
TAG:
B F#
             G#m E
    Above it all
VERSE 2:
Now I m waiting for a glimpse of hope in an eye
      G#m
```

```
Cause these streets are hard and cold
                                     G#m
And the alleys burn like coal with a stench of helplessness
And all the life that s been misspent
BRIDGE:
C#m
                          F#
Maybe I m not supposed to fly
Maybe you want me here tonight
CHORUS 2:
            в
To lift them up above it all
            G#m
                        F#
When they re broken and alone
Don t let me turn to stone
         В
Lift them up above it all
          G#m
Cause they cannot stand alone
And they re praying for the strength to carry on
Lift us up above it all
          G#m
When we re broken and alone
Don t let us turn to stone
      В
Lift us up above it all
          G#m
Because we cannot stand alone
                         C#
And we re praying for the strength to carry on
             Е
                         F#
Lord will you lift us up above it all
