

**Always Only You**  
**Building 429**

[Verse 1]

**A**  
I believed for so long  
**F#m**  
That I had to be strong  
**D**  
That it came down to me  
**E**  
I couldn't be weak  
**F#m**  
I couldn't be wrong

[Pre-Chorus]

**D E F#m E**  
But I'm, I-I-I, I-I-I, I found a place  
**A/C# D E F#m**  
Where none of that matters

[Chorus 1]

**A**  
It's You  
**A E F#m**  
It's always and only been You  
**F#m C#m D**  
My shelter, my home and my refuge  
**F#m E**  
The hope that I hold to  
**D E F#m**  
The strength that I run to  
**D E A**  
It's always only You

[Verse 2]

**A**  
When my world starts to spin  
**F#m**  
And my knees start to bend  
**D**  
I know down to my core  
**E**  
You were faithful before  
**F#m E/G#**  
You'll be faithful again

[Chorus 1]
